

We have news to share with you...

## *Mango Smoothie*

### **FLAVOUR of 2016**

We are very excited to share news that our Mango Smoothie was showered with awards on Friday night at the Dairy Australia Industry Association Gala Dinner celebrating the top Dairy Products in Australia for 2016.

The first award won was the Champion Flavoured Milk "Other than Coffee or Chocolate", and then Mango Smoothie went on to win the Overall CHAMPION FLAVOURED MILK.

Later in the night when the three top overall product awards were presented, Mango Smoothie won the 'BEST PRODUCT MADE USING NATURAL FLAVOURS' which is a really significant achievement given that this award is chosen from all yoghurts, ice creams, cheeses and flavoured milks.

A fantastic accolade for our Team and a wonderful recognition for Bannister Downs ! Thank you to everyone, especially those that measure out the tricky ingredients and our Senior Processors who take the time to patiently blend the marvellous creation and our Filling team who carefully fill as much Mango Smoothie into pouches with minimal losses along the way.
